Through the assistance of *Betty Johnson & Associates*, St. Patrick's is currently undertaking a feasibility study to determine what is important for the success of an upcoming capital campaign. This capital campaign is needed to raise additional funds to restore, renovate, and enhance our facilities.

We want to make this process open to everyone at St. Patrick's, and so with this in mind, we are offering several additional opportunities. If you go to the Church's website (<http://stpatrickchanute.org/>), you will find links to complete an **online survey**, as well as to **print a survey** to fill in by hand.

If you would like to complete the survey through a **phone interview**, please call Betty Johnson, at 785-313-3632. If you would like to complete a survey through **email**, please contact Betty Johnson at: bettyjohnsonassociates@yahoo.com.

The feasibility study interview process will be open until October 9. We look forward to hearing from you, and we truly value your input in this process!
