The Joy of the Gospel: Faith Working Through Love - What are you looking for? Our journey in this world is a search to satisfy our longings. At first we only desire the things our body needs, but as we grow and mature, we begin to seek the things that give us pleasure. When we seek the Truth, only a life in Christ will satisfy us. Samuel was called by name as he began his life of service to the people of Israel. In the Gospel, the disciples of John were directed to Jesus as the Lamb of God. Jesus invited them to follow him and they recognized him as the Messiah. May we seek the kingdom of God and be ready to listen when God calls our name.
