28th Sunday in Ordinary Time

October 11, 2026

Filmed in Europe, this first full-length feature movie on St. Augustine uses a historic backdrop to tell the true story of one of the Church's most beloved and well-known saints. Its message of sin, conversion, and redemption is as timely today as it was in the fifth century. It is the story of a gifted man who pursues fame and fortune without a moral compass—and the dramatic changes that occur in his soul when challenging events lead him to see the light of truth. Alongside Augustine, the stories of two other great saints, Monica and Ambrose, are also portrayed.

Stewardship Explained:

The Parish School as Mission

By: Fr. C. Jarrod Lies, S.T.L.

"Let the children come to me." Mark 10:14

A Catholic school is not simply a private school attached to a parish. It is not merely a product for those who can afford it. It is a mission of the parish. The school costs money. It is not free. But when a parish embraces a parochial school as part of its mission, the whole parish shares in forming the next generation of disciples. Those with children in school give. Those without children in school give. Those whose children have graduated continue to give. Those who once received now help provide for others, born of living relationships.

Pastor Appreciation Sunday is celebrated today and we want to say "THANK YOU" to Fr. J.D. for the many things he does for all of us in our parishes! You are appreciated, even when we forget to let you know!

Harvest House will meet Thursday, October 15th at 11:30 AM at Opie's. We will have a speaker from the SEK Area Agency on Aging who will share information on Medicare and benefits. You won't want to miss this! All seniors from St. Joseph & St. Patrick are welcome.
